Deadline of Submission: April 9, 2019 (Tuesday)

Call for Expression of Interest for HR and HIV Caravan Coordinators under TLF SHARE Collective for – “Accelerating Community Engagement and Response on HIV and AIDS Prevention” (ACER project)”.

CALL FOR EXPRESSION OF INTEREST

The Philippines is one of 20 countries that the Global Fund has prioritised for the provision of intensive support to scale up comprehensive programs to reduce human rights-related barriers to health services. An in-depth baseline assessment was carried out from December 2017 to April 2018 which provided data about the human rights-related barriers to HIV and TB services in the Philippines and any existing programs for their elimination.

In order to address human rights related barriers to health services, Global Fund provided an initiative called the Matching Fund Request (MFR). The framework of the proposed MFR is that an empowered community and its champions can trigger concrete changes in practices towards addressing HIV related human barriers. The MFR focus will be (a) Legal Literacy to address insufficient information (especially rights of people who inject drugs to services) (b) Monitoring, Documenting and Reporting towards improving current practices (e.g. treatment discrimination) as well as strengthen access to Justice to address fear of violence and loss of freedom (relevant to all people living with HIV and key population, particularly people who inject drugs community (c) Support to implementation of enabling policies and programs (e.g., proxy consent for minors and understanding OHAT treatment package, including for PLHIV injecting drug users).

The HR and HIV Caravan Coordinators will:

1. Coordinate with consultant and TLF staff involved in the project to implement the consultancy
2. Coordinate the HR and HIV Caravan in identified sites
3. Coordinate with caravan team (TLF SHARE, consultant, and local partner organization) and ensure fulfillment of the contracts
